

Elnora Grace (Just keyboard and light drums for 1st verse, whole band at 2nd)

G G
The breeze was soft and warm, as I walked thru heaven's dream
G/F# C
There were lavenders and roses along a blue and golden stream
G G
A house sat on the hillside, just like a children's fairy tale
G/F# C
The fence was freshly painted, just one more fragrance to inhale
Bm C Bm C
As I looked past the flower gardens, my breath began to leave
Am Bm C D (hold)
She was slowly walkin towards me; she stopped and softly touched my cheek

G G
As she took my hand and led me beyond her little paradise
G/F# C
I could smell the taste of voices, that was lighting up the skies
G G
As we rose above the treetops, I could feel the blinding rays
G/F# C
From the golden streets before me and all the angels singing praise
Bm C Bm C
Then I felt the breath of Jesus; leaned back and drank His righteousness
Am Bm C D
How could any man deny Him and loose a family such as this

CHORUS:

Em D G C D
She said, "My name's Elnora Grace; we don't have a last name here"
Em D G C D
And from her smiling, peaceful face, I could tell that one thing's clear
C C
She's home... Every worry's left behind
Am Am
She's home... To stay beyond the ends of time
C D G
She's home... Elnora Grace is home

G G
 We went back through the forest; she invited me inside
 G/F# C
 Each room was warmed with daisies that the Savior gave His bride
 G G
 She stood there by the window, her satin dress and long brown hair
 G/F# C
 Her eyes were filled with diamonds; her skin was soft and fair
 Bm C Bm C
 She said, "Share the Father's message about the road that Jesus made
 Am Bm C D
 It's the only way to get here, and with all expenses paid"

C C
 Come home... I'll be waiting in your mind
 Am Am
 Come home... To stay beyond the ends of time
 C D Em C Am C Em C Am C
 Come home... Elnora Grace is home
