Intro: 5/4 time : D//A/ D//A/ ¾: D// A//   4/4: F/// ////   (repeat)

D   F
Years ago, in a desperate time
D   F
You surrendered all, left the past behind
       G   D
Your many fears were cleared away with love
    G   D   F   G G
A tender restoration from above, from above, from above

Years have passed, is it still the same
Does the Father's Word give that inward flame
Or is there lack of confidence to call
G   A   Bm/// A/// G/// /AAA
To Him Who's always there to break your fall

CHORUS:
F#   G   A
Every promise will come true
F#   G   A
Every guarantee will carry through
Bm   A   G///   G/F#/
Even though times of doubt have troubled you
Em   A   5/4: D//AA D//AA ¾: D// A//   4/4: F/// ////
Every promise will come true

Years will come, life will do its best
To defeat your trust, put you through the test
But just remember every answered prayer
G   A   Bm/// A/// G/// /AAA
And look unto the One Who always cares
